A hidden gem of a platformer! The gameplay is solid, character art is cute and the graphics are old school. Don't let the 3d chraphics scare you away as you will get used to them in no time. Anyway 10/10.. A hidden gem of a platformer! The gameplay is solid, character art is cute and the graphics are old school. An amazing Mega Man-like game. I absolutely loved how,after their defeat,each one of the bosses becomes a playable character with its own unique playstyle,moveset and skill tree of powers and upgrades.. New Star Manager New patch available (1.1.0) : Version 1.1.0 adds BETA controller support for players using all language options. Version 1.1.0 also contains a fix for users of Radeon graphics cards who were encountering missing graphics (white screens).. New patch available (1.0.3) : Version 1.0.3 contains a graphical update with a higher-fidelity game world. It also contains BETA support for controllers/gamepads. Please use the Steam discussion forum or contact us via supportnewstargames.com or "New Star Soccer" on Facebook to let us know how we can improve the game's controller support. PLEASE NOTE: Controller support is currently only available for users who are playing using the English language option. Controller support for other languages will follow in a future update.. New patch available (1.0.1) : Just one fix for this patch. Should be a fix for the plain screen on boot. If you are still having problems, please let us know.
